Since 1966 our focus has been on quality and precision, and on these principles we have built a firm foundation of experience and proficiency in our industry. Our long standing tradition of sourcing locally - right here in the Appalachian Mountains - has not wavered even to this day. We align our values with the community by working with sustainable, recycled materials that are also free of harsh chemicals, ensuring every piece meets or exceeds proper certifications by qualifying partners. These core principles only enhance our modern classic designs and every piece is custom built for you at our facility in Hickory, NC by our team of highly skilled craftspeople.
